### Select Highlights of CPSC FY 2023 Operating Plan

<https://www.cpsc.gov/s3fs-public/CPSCs-Fiscal-Year-2023-Operating-Plan.pdf?VersionId=9vdumkfeKFU45nEiMI4vUwk6Xy7.0j2#:~:text=Assuming%20a%20full%2DYear%20CR,million%20for%20non%2Dpay%20projects>

The CPSC FY 2023 Operating Plan is based on a requested budget increase of \$56 million to \$195 million and 133 additional FTEs. The Commission approved the Operating Plan on November 3, 2022.

#### **Hazard Identification Research Priorities (pg. 3):**

- Additive manufacturing (3D printing)
- Safe sleep practices for infants
- Home fire hazard mitigation
- Chronic hazards from chemicals

#### **Hazard Identification Focus Areas (pg. 12)**

- Portable generators
- Internet of Things
- Off highway vehicles
- Rechargeable high energy batteries
- Electric scooters
- Smoke alarms
- Carbon monoxide alarms

#### **Compliance and Field Operations Priorities (pg. 28):**

Enforce safety standards for

- ATVs
- Hazardous substances packaging that is not child resistant, including new packaging requirements for button batteries
- New requirements for crib bumpers and infant sleep products
- Safety standards for products with magnets

#### **Recall Effectiveness and Recall Processes (pg. 31):**

- 25% target for recall response rate for all consumer product recalls
- 70% target for recalls in which the firm agrees to use social media to communicate a recall
- 90% target for Fast Track cases with corrective actions initiated within 20 business days of case opening

**Pursue Vigorous Compliance (pg. 60):**

Expand Civil Penalties Enforcement (4 FTEs)

Make criminal referrals of civil monetary penalty matters to the US Department of Justice  
**where appropriate** (emphasis added)

Expand recall monitoring program to identify recalling firms that are appropriate targets for  
an expanded recall announcement, a renewed investigation, or enforcement action

Incorporate improved information about firms recall activities into civil penalty program

**Submit Rulemaking Packages**

27 candidates for rule making (Table on pgs. 21 – 22)
